

Copyright Transfer Statement

The copyright to this article is transferred to the journal Engineering Letters (for U.S. government employees: to the extent transferable), after the article is accepted by Engineering Letters for publication. The copyright transfer covers the exclusive right to reproduce and distribute the article. These include reprints, translations, photographic reproductions, microform, electronic form (offline, online) or any other reproductions of similar nature.

The author warrants that this article is original and signs for and accepts responsibility for releasing this material on behalf of any and all co-authors. The author also warrant for his/her power to make this grant.

An author may make his/her article published by Engineering Letters available on his/her personal home page provided the source of the published article is cited. After submission of this agreement, changes of authorship or in the order of the authors listed will not be accepted.
