The screenshot shows the Springer Link website interface. At the top, there's a navigation bar with 'SPRINGER LINK' and a 'Log in' button. Below the navigation bar, there are links for 'Find a journal', 'Publish with us', 'Track your research', and a search bar. The main content area features a red header with the book title 'Advances in Communication Systems and Electrical Engineering' and a small book cover image. Below the title, it says 'Book | © 2008'. The editors are listed as 'Editors: Xu Huang, Yuh-Shyan Chen, Sio-Iong Ao'. The description of the book is provided, along with its part of the book series: 'Lecture Notes in Electrical Engineering (LNEE, volume 4)'. At the bottom left, there are statistics: '39k Accesses | 47 Citations | 4 Altmetric'. On the right side, there's a 'Buy it now' section with a 'Buy eBook' button and a price of 'EUR 160.49'. Below this, there are options for 'Softcover Book' (EUR 199.99) and 'Hardcover Book' (EUR 199.99).
