The screenshot shows the Springer Link page for the book "Machine Learning and Systems Engineering" (2010). The page features a red header with the Springer Link logo and navigation options like "Find a journal", "Publish with us", "Track your research", and "Search". Below the header, there is a book cover image and the title "Machine Learning and Systems Engineering". The page includes a description of the book, its editors (Sio-long Ao, Burghard Rieger, Mahyar A. Amouzegar), and a list of features such as "Available as EPUB and PDF", "Read on any device", "Instant download", and "Own it forever". The price for the eBook is listed as EUR 160.49, with options for softcover (EUR 199.99) and hardcover (EUR 199.99). The page also displays "137k Accesses" and "69 Citations".

## Machine Learning and Systems Engineering

Home > Book

**Editors:** Sio-long Ao, Burghard Rieger, Mahyar A. Amouzegar

Offers the state of the art of tremendous advances in machine learning and systems engineering  
Serves as an excellent reference text for researchers and graduate students, working on machine learning and systems engineering  
Contains forty-six revised and extended research articles written by prominent researchers  
Includes supplementary material: [sn.pub/extras](#)

**Part of the book series:** [Lecture Notes in Electrical Engineering](#) (LNEE, volume 68)

137k Accesses | 69 Citations
