U.S. News & World Report - Grad Schools (retrieved 11 March 2024)
Stanford University - Computer Science Program and Specialty rankings
#1 in Computer Science
#3 in Artificial Intelligence
#4 in Programming Language
#5 in Systems
#3 in Theory

The screenshot shows a web browser displaying the Stanford University page on the US News & World Report website. The page is titled "Computer Science" and features a "Program and Specialty rankings" section. The rankings are as follows:

- #1 in Computer Science (tie)
- #3 in Artificial Intelligence
- #4 in Programming Language
- #5 in Systems
- #3 in Theory

Below the rankings, there is a link to "SEE ALL GRAD SCHOOL RANKINGS »". The "Department of Computer Science Contact Information" is provided, including the address "353 Serra Mall, Stanford, CA 94305-9025", the phone number "(650) 723-2273", and the email "admissions@cs.stanford.edu". A "Website" link is also present. An "Explore Map" button is located next to the address. A sidebar on the right contains navigation links for Overview, Rankings, Business, Law, Medicine, Engineering, Education, Fine Arts, Health, Science, and Social Sciences and Humanities, along with an "Add to List" button. An advertisement for Practina INC is visible on the right side of the page.
